CONFERENCE TALKS

The grammaticalization of a motion verb into an imperative marker in two sign languages. Presented at *Formal and Experimental Advances in Sign Language Theory 6* at the University of Michigan, 6–8 August 2024 (with Marianthi Koraka, Thomas Finkbeiner, Nina-Kristin Meister, and Markus Steinbach).

C-selection, feature-checking, and anti-locality in coordinate structures. Presented at the conference *Form and Meaning of Coordination* at the University of Göttingen, 4–6 July 2024.

A reassessment of Mandarin universal quantificational expressions *mei* vs. *suoyou*. Presented at the *44th TABU Dag* at the University of Groningen, 13–14 June 2024 (with Zeqi Zhao).

Argument introducers and adjunct verbs in Malayalam. Presented online at *Formal Approaches to South Asian Languages 14* at Stony Brook University, 4–6 April, 2024.

Light verbs in Malayalam are not adpositions. Presented at the *Grote Taaldag 2024* at Utrecht University, 2 February 2024.

Form and function in serial verb constructions — insights from German Sign Language. Presented online at *Formal and Experimental Advances in Sign Language Theory 5* at the University of Bergen, 27–29 June 2023.

Serial verbs in head-final languages needn't be Kaynian — a rebuttal from Malayalam. Presented at the *43rd TABU Dag* at the University of Groningen, 15–16 June 2023.

CONFERENCE POSTERS	Two-*(CL) structures for the price of one-(CL) in spoken Persian. To be presented at the <i>44th West Coast Conference on Formal Linguistics</i> (WCCFL 44) at the Universidad Nacional Autónoma de México, Mexico City, 6–8 May 2026 (with Yasaman Sanei).
	When one needs classifiers and when ‘one’ doesn’t. Presented at the <i>51º Incontro di Grammatica Generativa</i> (IGG 51) at the University of Udine, 12–14 February, 2026 (with Yasaman Sanei).
	Escape hatches are phase edges, but not all phase edges are escape hatches. Presented at the <i>56th Annual Meeting of the North East Linguistics Society</i> (NELS 56) at New York University, 17–19 October, 2025 (with Lieke Hendriks).
	Light-‘give’ constructions in Malayalam and Tamil. Presented at the <i>56th Annual Meeting of the North East Linguistics Society</i> (NELS 56) at New York University, 17–19 October, 2025 (with Rishabh Suresh).
	A timing approach to escape hatch dependencies. Presented at the <i>47th Meeting of Generative Linguistics in the Old World</i> (GLOW 47) at the Goethe University Frankfurt, 24–28 March, 2025.
	Malayalam doesn’t need adpositions: the case of vP-adjunction. Presented at the <i>42nd West Coast Conference on Formal Linguistics</i> (WCCFL 42) at the University of California, Berkley, 12–14 April 2024.
	Linear asymmetries and the syntax of serialization. Presented at the <i>32nd Conference of the Student Organization of Linguistics in Europe</i> (ConSOLE 32) at Queen Mary University in London, 17–19 January 2024, and at the first Konstanz Linguistics Conference (KLC) at the University of Konstanz, 22–24 March 2024.
INVITED TALKS	Arguments and events in serial verb constructions — insights from German Sign Language. Presented at CNRS/Paris 8 University, 26 September 2022.
OTHER PRESENTATIONS	A small <i>dōu</i> -sage of syntax <i>měi</i> be necessary: quantification in Mandarin. Presented at the University of Cambridge SyntaxLab, 14 May 2024 (with Zeqi Zhao).
	Serialization across modalities. Presented at the collaborative meeting between RTG 2016 “Nominal modification” (Frankfurt) and RTG 2636 “Form-meaning mismatches” (Göttingen) at the University of Göttingen, 8–9 February 2024.
	Categoriality and selection in multi-verb constructions. Presented at the Oberseminar English Linguistics at the University of Göttingen, 19 December 2023.
	Insights on serialization from head-final languages. Presented at the Workshop on Serial Verb Constructions at CNRS/Paris 8 University, 11 September 2023.
	Grammaticalization of a verb as a directive marker. Presented at the workshop <i>Interrogatives and Imperatives in the Visual Modality</i> , at the University of Amsterdam, 16–17 May 2023.
	Arguments and events in verb series — insights across modalities. Presented at the workshop of the <i>Corpus Annotation and Data Analysis Summer School</i> (CAnDA) at the University of Göttingen, 23 September 2022.

Insights from serialization across modalities. Poster presented at CreteLing 2022 at the University of Crete, 2022.

TEACHING
EXPERIENCE

University of Kassel, Kassel, Germany

Lecturer

Winter Semester 2025–2026

- Interfaces in Sentence Structure
 - Undergraduate advanced seminar on the interactions between syntax and linear order, morphology, semantics, and the lexicon, with a focus on comparisons between English and other languages.

Lecturer

Summer Semester 2025

- Areas of Core Grammar
 - Undergraduate introductory seminar on grammar theory with a focus on the syntax of English.

Georg August University of Göttingen, Göttingen, Germany

Lecturer

Winter Semester 2023–2024

- Introduction to English Linguistics
 - Undergraduate introductory course on linguistics with a focus on English, covering phonetics, phonology, morphology, syntax, semantics, and pragmatics.

Co-lecturer

Winter Semester 2023–2024

- Introduction to Linguistic Theory: Syntax
 - Graduate introductory course on generative syntax and minimalism.
 - Other instructors: Marco Conliglio, Prudence de Pontbriand

ACADEMIC SERVICE

Student service

- Student representative to the board of the DFG-funded Research Training Group (*Graduiertenkolleg*) 2636 — “Form–Meaning Mismatches” from May 2023 to October 2024.

Conferences

- Reviewer for *ConSOLE 34* at the University School for Advanced Studies IUSS Pavia, January 28–30, 2026.
- Reviewer for *ConSOLE 33* at Georg August University of Göttingen, January 29–31, 2025.
- Organizer, webmaster, graphic designer, and chair for *NELS 53*, January 12–14, 2023.

Other reviewing

- Reviewer for *Linguistic Variation*, 2025.
- Reviewer for edited volume *Serial Predicates Across Modalities* (together with Hedde Zeijlstra), 2025.
- Internal reviewer for the proceedings of *ConSOLE 32*, 2024.
- Internal reviewer for *Linguistics in Amsterdam* vol. 13 nr. 1 (special issue on habituals), 2021.

Public outreach

- Contributor to the Göttingen *Nacht des Wissens* (‘night of science’) on behalf of the linguistics community in Göttingen, 2022.
